## FULL FORMULARY\* OF DRUGS

The Pharmacy offers a full formulary of drugs, both generic and brand name. While our emphasis is on the top 15 or 20 most used brand name drugs that treat chronic illnesses, such as diabetes, heart disease, and asthma, you can be sure that the Pharmacy can fill all of your prescription needs.

*\*No schedule C2 control medications*

## REFILLS

We work together with your provider to make sure your prescriptions are filled in a timely manner and that they are accurately processed.

Patients who choose to fill their prescriptions at the Pharmacy may request refills by telephone or in person at our on-site location.

When ordering refills by phone, patients are encouraged to leave a detailed message of your prescription and refill along with their contact information.

## HOURS OF OPERATION

M-F 8:00 a.m. – 6:00 p.m.

Closed for Lunch 12:00 p.m. – 1:00 p.m.

**CLOSED Saturday and  
Sunday and the first  
Wednesday of every month  
for Admin Day**

PLEASE ALLOW 24 HOURS  
FOR PRESCRIPTION REFILLS

## SAVINGS WITH GENERICS

Generic medications offer the same benefits as their brand-name counterparts and usually cost significantly less.

We review every prescription order to see if there is a less-expensive generic medication available. Unless otherwise noted by your prescriber or state law, we will dispense an FDA-approved generic equivalent, if available.
