MISSED APPOINTMENT POLICY

We want to thank you for choosing Lake County Tribal Health Consortium, Inc. (LCTHC) as your health care provider. In order to offer you and other patients the best care possible, we require that you follow our guidelines regarding missed appointments. Please remember, we have set up an appointment time especially for you. LCTHC makes courtesy reminder calls regarding your appointment. We consider these appointments to be your responsibility to keep or cancel. We realize that unforeseen circumstances occur; therefore, we request at least 24 hours' notice to reschedule your appointment. This will enable us to offer your cancelled time to another patient who is in need of health care. When you miss or cancel your appointment at the last minute, everyone loses – you, Tribal Health and other patients that would like to have taken advantage of this appointment time.

LCTHC does not allow any missed appointments. We will; however, tolerate three (3) missed appointments in a six month period. An appointment is considered to have been missed if any of the following occur:

1. The patient fails to show up for a scheduled appointment.
2. The patient presents more than seven (7) minutes late for a scheduled appointment.
3. The patient calls to cancel a scheduled appointment with less than twenty-four (24) hours advance notice.
4. Any patient who schedules a same day appointment and fails to show, after 3 such no shows, will not be allowed to schedule any appointment, but must call the clinic in order to check same day availability in the schedule, otherwise call and check the next day.

Patients who accumulate three missed appointments in a six (6)-month period will not be allowed to schedule any future routine care appointments for a period of four (4) months following the third missed appointment. The patient will be seen as a Same Day visit only. Acute treatment will be allowed on a walk-in to the clinic ONLY bases. (patient must come into the clinic and be triaged to be seen. FINANCIAL RESPONSIBILITY FORM

Lake County Tribal Health follows the regulations and laws as set by the Indian Health Service and the State of California. Depending on your billing status, you may be financially responsible for all, part, or none of the services performed.

Minor Patients: The parent/guardian of a minor is responsible for payment of the minor's account balance. Payment of treatment of minor children including copays, deductibles, coinsurance or any additional fees are due at the time of service regardless of which parent/guardian is responsible for medical expenses. It is our policy to collect payment at the time of service from the parent, guardian or caretaker who brings the child in for the appointment. We are not a party to your divorce or separation agreement. If a divorce or other court decree requires the other parent/guardian to pay all or part of the treatment costs, it is the parent's responsibility to collect from the other parent. Should the issues that come between parents/guardians become disruptive to Lake County Tribal Health, we reserve the right to refuse service to the patient and discharge the patient from the practice.

A sliding fee scale is available when a completed application is turned in with the required documentation and a patient is eligible due to the guidelines described on the application. If you have an outstanding balance with our clinic, you will be expected to pay all or part of this bill before any further services are received. LCTHC will bill your insurance company for services rendered at our facility as a courtesy.

If you are Native American/Alaska Native, you must have valid and current tribal verification on file or you will be financially responsible for any services provided to you.
